

Help your employees and your company to build next generation manufacturing capabilities.

Mohawk College, in partnership with Next Generation Manufacturing Canada, can help you achieve success.

Future Ready Leadership Essentials

Regardless of the industry or size of the organization, the changing workforce spares no one. That's why organizations today need to prepare and train their future leaders. Our Essential Skills program is designed to help individuals at the supervisory or first-time manager level. Participants will be introduced to our 10 core leadership competencies and to skills and concepts that will ease their transition towards effective leadership.
