required)

# Register in the Member Portal

The image shows a screenshot of the NGen website homepage. The background is a photograph of three people in a factory setting, wearing hard hats and safety glasses, looking at a tablet. The website header includes the NGen logo, navigation links for 'What we do', 'Who we are', 'Our Impact', and 'Resources', a 'Select Language' dropdown, a search icon, 'Login', and a 'Join' button. The 'Join' button is highlighted with a red circle, and a large white arrow points upwards towards it. The main content area features the heading 'Funding Programs: Cluster Accelerator Network' and a sub-heading 'Project Funding'. Below this is a paragraph describing the Cluster Accelerator Program. A 'Read More' button is located at the bottom left of the main content area.

## Funding Programs: Cluster Accelerator Network

**Project Funding**

The Cluster Accelerator Program is designed to fund projects that support Canada's advanced manufacturing ecosystem and help strengthen collaboration among advanced manufacturing clusters across Canada.

- If you are already a member please login using your email and password.

- **New Members:**

- Click **JOIN NOW** to begin.

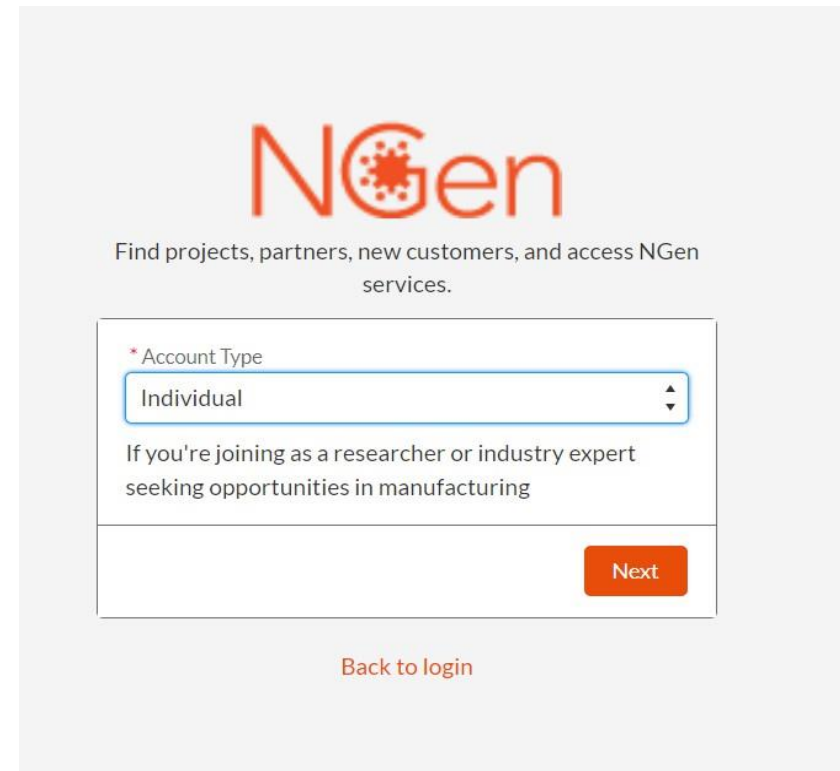

# Organization vs Individual

To register as an **Organization**, you are joining as an employee of a company that is an existing member or will become a new member of the community.

The screenshot shows the NGen registration interface. At the top is the NGen logo. Below it is the text: "Find projects, partners, new customers, and access NGen services." The main form area has a dropdown menu labeled "\* Account Type" with "Organization" selected. Below the dropdown is the text: "If you're joining as an employee or manufacturing company, government agency, educational Institution or other." At the bottom right of the form is an orange "Next" button. Below the form is a link that says "Back to login".

To register as an **Individual**, you are joining as a professional, applied researcher, industry expert, or student who is seeking opportunities in advanced manufacturing.

The screenshot shows the NGen registration interface. At the top is the NGen logo. Below it is the text: "Find projects, partners, new customers, and access NGen services." The main form area has a dropdown menu labeled "\* Account Type" with "Individual" selected. Below the dropdown is the text: "If you're joining as a researcher or industry expert seeking opportunities in manufacturing". At the bottom right of the form is an orange "Next" button. Below the form is a link that says "Back to login".

# Individuals

The screenshot shows the NGen registration form. At the top is the NGen logo and the text "Find projects, partners, new customers, and access NGen services." Below this is a form with several input fields: "Name" (with sub-fields for "First Name" and "Last Name"), "\* Email" (with the example "you@example.com"), and "\* Phone". At the bottom of the form are two checkboxes: "I agree to NGen's Privacy Policy" and "I agree to NGen membership Terms and Conditions". Below the form are two buttons: "Back" and "Next". At the very bottom of the page is a link "Back to login".

# Change Your Password

## Change Your Password

Enter a new password for `sf.test22@ngen.ca`. Make sure to include at least:

- ✓ 8 characters
- ✓ 1 uppercase letter
- ✓ 1 lowercase letter
- ✓ 1 number
- ✓ 1 special character ⓘ

\* New Password

 Good

\* Confirm New Password

 Match

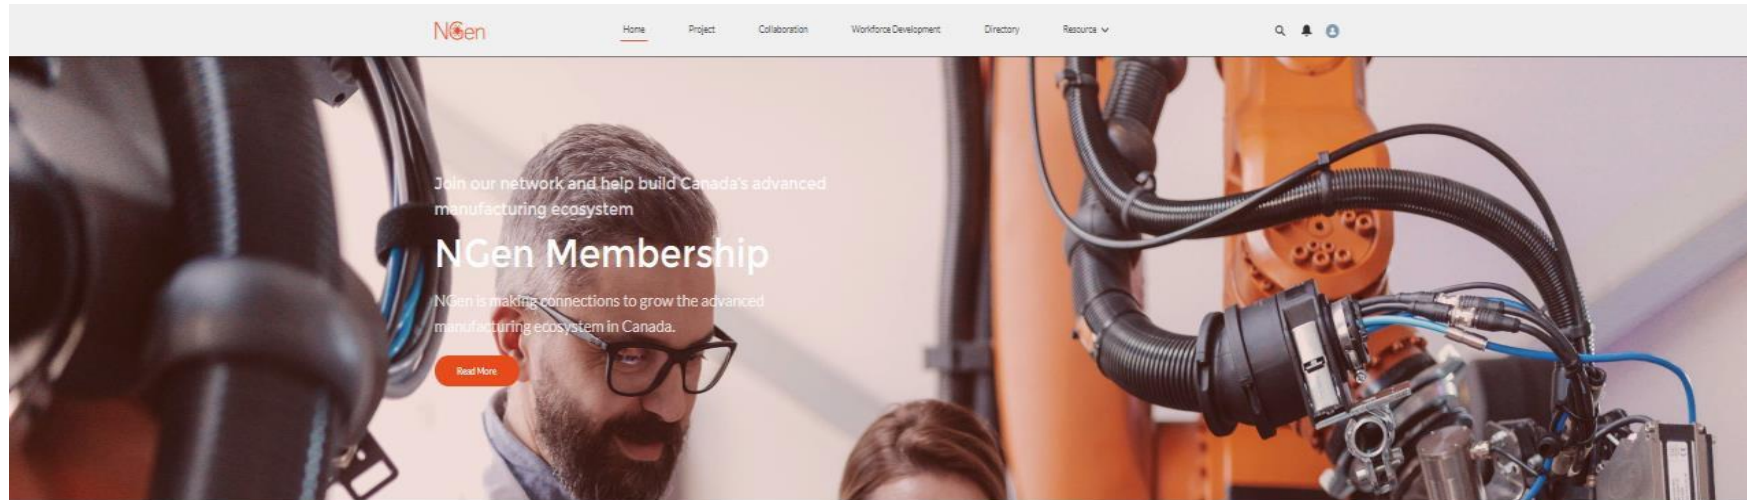

Change Password

Password was last changed on 2023-04-13, 2:22 p.m..

Passwords must contain at least one of the listed requirements.

Once you click the **Change Password** button, you will be logged into the portal.

# Welcome

**Welcome! You are now a registered member of NGen's community.**

# Multi-Factor Authentication

- We care about your privacy and have implemented multi-factor authentication to help keep your data secure.
- You will be asked to either download the Salesforce Authentication mobile app or “Choose Another Verification Method” and use an app of your choice.

## Connect Salesforce Authenticator

For security reasons, you have to connect Salesforce Authenticator to your account. The app sends a notification when we need to verify your identity, and you verify with just a tap. You can also enable location services to have the app verify you automatically from trusted locations. The app provides codes to use as an alternate verification method.

1. Download Salesforce Authenticator from the [App Store](#) or [Google Play](#) and install it on your mobile device.
2. Open the app and tap to add your account.
3. The app shows you a unique two-word phrase. Enter the phrase below.

Two-Word Phrase

Cancel

Connect

[Choose Another Verification Method](#)

## Choose a Verification Method

How would you like to verify your identity?

- Use the Salesforce Authenticator mobile app
- Use verification codes from an authenticator app

Continue

## Verify Your Identity

You're trying to **Log In to NGen Connects**. To make sure your Salesforce account is secure, we have to verify your identity.

Use the authenticator app on your mobile device to generate a verification code.

Username: sf.test104@ngen.ca
