SME Declaration Form

I, _____, the director or duly authorized officer for and on behalf of
_____, the company under consideration, hereby declare that
the company is a small and medium-sized enterprise (SME) as per the Application Guide on
NGen's website, www.ngen.ca:

"A SME is defined as an organization that has less than 500 employees globally."

At any time during the duration of the project should the company no longer meet the above-mentioned classification, NGen must be informed in writing as soon as possible.
