

Transformation Leadership Program

NGen's Workforce Transformation Funding

AMPUP your business with a customized strategic road map—designed by you.

➤ WORKING TOGETHER WITH YOUR LEADERSHIP TO MAXIMIZE YOUR ORGANIZATION'S OPPORTUNITIES.

NGen's Future Ready program offers an incredibly affordable and high-value opportunity for your leadership team to participate together in learning and assessment workshops that arm you with helpful, relevant information to develop a strategic plan that helps you adapt your business and your workforce to succeed now and in the future.

➤ IT STARTS WITH THE FIRST **EIGHT MODULES** OF NGEN'S TRANSFORMATION LEADERSHIP PROGRAM THEN ACCESS TO THE **SEVEN ELECTIVE MODULES**:

- | | |
|----------------------------------|-----------------------------|
| 1 Reality Check | 9 Project Management |
| 2 Strategic Planning | 10 Supply Chain Management |
| 3 Customer Centric | 11 Industry 4.0 |
| 4 Innovation & Industry 4.0 | 12 Circular Economy |
| 5 Advanced Leadership | 13 New Product Introduction |
| 6 People Impacts of Industry 4.0 | 14 Carbon Strategies |
| 7 Change Management | 15 Innovation |
| 8 People-Centric Leadership | |

➤ EACH MODULE INCLUDES:

- Facilitated workshops with other leaders from across Canada, promoting dialogue and networking.
- Self-assessment tools to reveal gaps to help you develop the right strategy for business success, including upskilling your workforce to meet new challenges and opportunities.

➤ PROVEN RESULTS:

- An aligned vision for business transformation and a customized roadmap to get you there.
- A deep understanding of best-in class practices and prioritization of transformation projects based on your unique business situation.
- Stronger alignment with your customer for greater customer success.
- Opportunities for continual improvement.

➤ GET AHEAD OF YOUR COMPETITION. BE AMONGST THE FIRST TO DEVELOP THE SKILLS REQUIRED FOR INDUSTRY 4.0.
