Where Innovation Meets Opportunity.

More than an event directory, the N³ Summit Dealbook connects Canada's industrial innovators with capital, customers and strategic partners to help turn connections into business opportunities.

01

Get Discovered

Showcase your company to investors, OEMs, procurement leaders and industry partners looking for innovative solutions and new business opportunities.

02

Connect with Opportunity

Put your organization in front of potential customers, suppliers and strategic partners who can help accelerate your growth.

03

Beyond the Summit

Keep your company visible to potential customers, investors and strategic partners through a resource designed to support business connections beyond the event itself.

Company Listing:

Complimentary for N³ exhibitors and NGen project alumni.

Paid listing opportunities available to N³ ticket holders.
