N³ Summit

Exhibitor Information

Your Next Big Opportunity Is in the Room.

Put your innovation in front of the people building what's next.

N³ Summit 2027 brings together Canada's advanced manufacturers, technology innovators, investors and industry decision-makers for two days of discovery, collaboration and business opportunities.

Exhibiting at N³ puts your company at the centre of the action. Showcase your technologies, connect with potential customers and strategic partners, and build visibility within Canada's advanced manufacturing ecosystem.

Why Should You Exhibit?

Showcase Your Innovation:
Demonstrate your technologies, products and solutions to an industry-focused audience.

Make Meaningful Connections:
Engage with manufacturers, investors, technology leaders and potential partners.

Build Your Brand:
Strengthen your visibility and position your organization within Canada's innovation ecosystem.

Unlock New Opportunities:
Turn conversations into potential collaborations, partnerships and business growth.

Your Space. Your Stage.

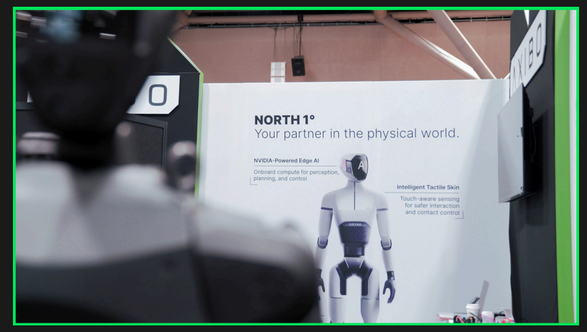

Explore what's included in each exhibitor package and find the right space to showcase your innovation.
