NGen

Who We Are

NGen is the industry-led, non-profit organization leading Canada's Global Innovation Cluster for Advanced Manufacturing.

We build world-leading advanced manufacturing capabilities in Canada for the benefit of Canadians.

N³ Summit 2024: **Why Should You Attend**

Join us to discover and celebrate some of the most innovative advanced manufacturing solutions in the world – developed right here in Canada – and the companies that are bringing them to market.

From life sciences to electric vehicles, sustainability to AI, robotics and automation, explore the transformative solutions that are already crafting the future of manufacturing in Canada.
